

Child Abuse Pediatrician

Arkansas Children's, in partnership with the University of Arkansas for Medical Sciences (UAMS), is seeking a Board-Certified or Board Eligible Child Abuse Pediatrician for inpatient and outpatient clinical care. Successful candidates will join the state's pediatric health system and play a key role in serving children and families impacted by maltreatment.

The Opportunity:

Join a well-established and collaborative team of 4 full-time Child Abuse Pediatricians, 2 APRNs, 1 clinic nurse, 1 SANE/Specialty Nurse, and 3 social workers providing care to patients statewide and regionally.

- Arkansas Children's is the only Pediatric Level 1 Trauma Center in Arkansas, serving as the primary hub for specialized pediatric care
- Practice on-site with forensic teams and advocacy partners in the dedicated trauma-focused Clark Center, located on the Arkansas Children's Golisano campus in Little Rock and co-located with the local Child Advocacy Center for streamlined forensic evaluations
- Engage in high-level collaboration with multiple subspecialties, including Neurosurgery, Trauma Surgery, Neurology, Ophthalmology, Radiology, Emergency Medicine and Psychology, to name a few
- Supported by leadership in a highly collaborative environment, funding is available for continuing medical education and academic conference presentations
- Initiative to expand Q/I, program development, and clinical research, backed by dedicated biostatistical analysis
- Core teaching and mentoring role training rotating pediatric residents and fellows within an established child abuse fellowship
- Competitive salary and comprehensive UAMS faculty benefits package with medical, dental, vision and pharmacy coverage, malpractice insurance, and generous PTO with paid holidays
- Robust retirement package with employer match, Tuition Discount Benefits within the University of Arkansas system, Public Student Loan Forgiveness (PSLF) Program eligibility
